PROFESSIONAL SUMMARY

Frontend-focused MERN developer with hands-on experience building responsive React web applications and integrating REST APIs. AWS Cloud Practitioner and Azure Fundamentals certified, seeking junior frontend or trainee roles in the UAE.

TECHNICAL SKILLS

Languages: JavaScript, C, C++

Frameworks & Libraries: ReactJS, Node.js, Express.js, TypeScript

Databases: MongoDB, MySQL, PostgreSQL, Firebase Firestore

Developer Tools and Technologies: Git, Github, AWS, Azure, Docker, Postman

PROFESSIONAL EXPERIENCE

CRM Operations Analyst (Freelance) | Fiverr

May 2025 - Dec 2025

- Supported CRM-related data operations and routine workflow tasks for a long-term client
- Managed record updates, data accuracy, and process consistency
- Delivered tasks within defined SLAs and client timelines

Web Developer | Lakebrains LLP

Dec 2024 - Apr 2025

- Contributed to Chrome extension development in a service-based engineering team
- Built responsive UI components using modern frontend technologies
- Assisted in implementing scalable functions and debugging production issues
- Participated in code reviews, testing, and collaborative development workflows

Freelance Operations Analyst (Part-time) | Fiverr

Sep 2019 - Jul 2023

- Delivered 300+ client projects for international customers with consistent 5-star ratings
- Maintained 90%+ on-time delivery across long-term engagements
- Collaborated with repeat clients and handled independent project timelines

PROJECTS

🔗 Quickmark – Chrome Extension (React, Firebase)

May 2025

- Designed and developed a production-ready Chrome extension to manage and organize browser bookmarks
- Implemented authentication, real-time database sync, and CRUD operations using Firebase
- Built search and filter functionality to improve bookmark retrieval efficiency
- Developed responsive UI using ReactJS and Tailwind CSS
- Owned the complete development lifecycle from UI design to deployment

🔗 World Exploration App (React, REST APIs)

May 2025

- Developed an interactive web application displaying country-level data using public REST APIs
- Implemented dynamic routing and state handling for smooth navigation
- Enhanced user experience through clean UI and responsive design

🔗 Personal Portfolio (React, Tailwind)

Apr 2025

- Built a mobile-first, responsive portfolio website to showcase projects and skills
- Focused on clean UI, component reusability, and consistent design system
- Integrated GitHub repositories and live project demos

EDUCATION

Vellore Institute of Technology, Bhopal, MP

Aug 2023 - Jul 2025

Master of Computer Applications (MCA) | GPA: 8.5/10

Mohanlal Sukhadia University, Udaipur, Rajasthan

Jul 2019 - Oct 2022

Bachelor of Computer Applications (BCA) | GPA: 7.2/10
